# How to Join a Kahoot Game with a Game Pin

A Beginner's Guide

To join a Kahoot game with a game pin, you need to follow these simple steps:

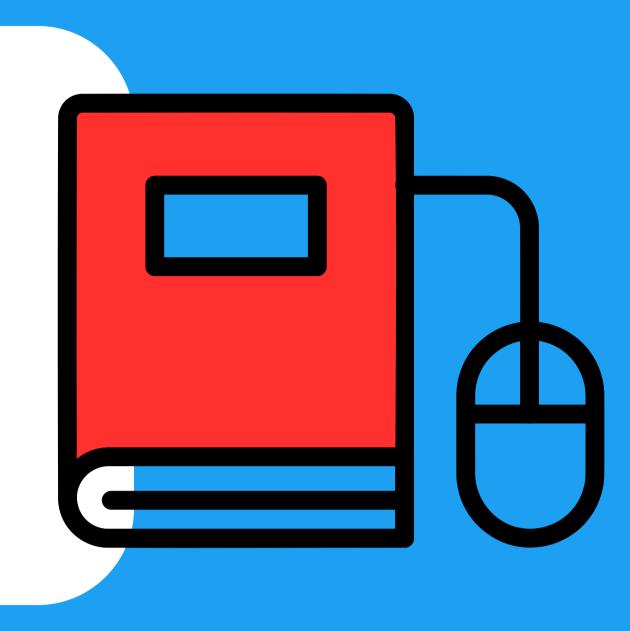

#### Step 1

Go to kahoot.it, or open the Kahoot mobile app and tap Join.

#### Step 2

Enter the game pin provided by the host. Make sure you enter the correct pin, as it is case-sensitive and may contain letters and numbers.

### Step 3

If the player identifier is enabled by the host, provide the requested identifier. This could be your name, nickname, email, or any other information that the host wants to use to identify you.

Step 4

Wait for the host to start the game. You will see a countdown on your screen before the game begins.

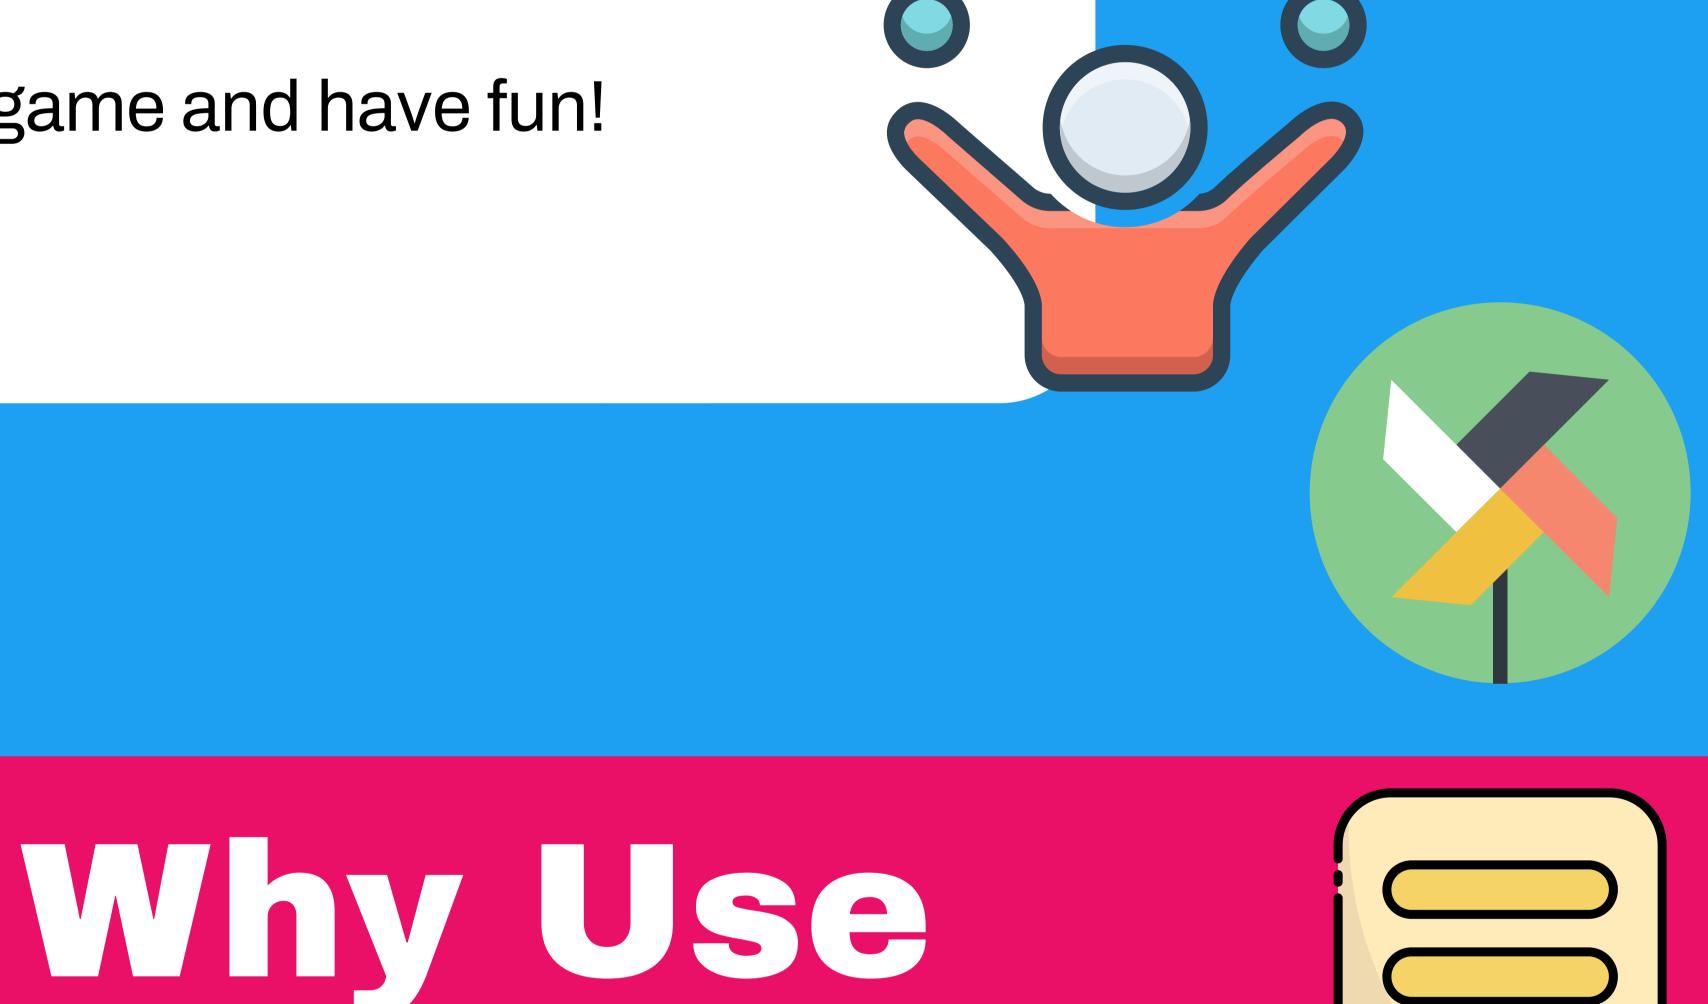

#### Answer the questions as they appear on

Step 5

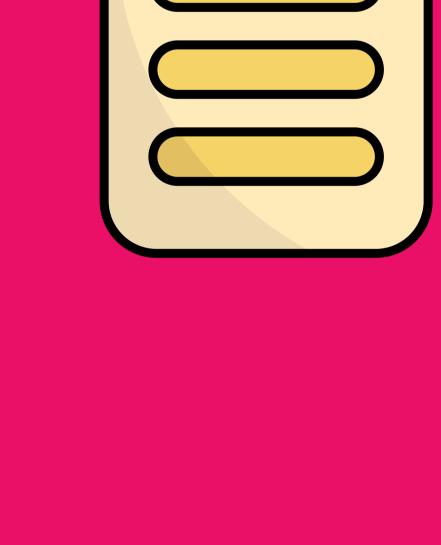

your screen. You can use your mouse, keyboard, or touch screen to select the correct answer. You will see your score and rank after each question.

### Enjoy the game and have fun!
